The Mesa Dr. Martin Luther King, Jr. Celebration Committee is very pleased to present “Many Faces, One Community,” the 18th anniversary of Mesa’s celebration of civil rights. It is the mission of the Mesa Dr. Martin Luther King, Jr. Celebration Committee to actively engage in constructive efforts to foster, promote, and sustain social justice for all of the community’s residents. These efforts are intended to assist Mesa residents of diverse cultural and social backgrounds and social groups to become responsible citizens in the community and preserve Dr. King’s philosophy and ideas of equality, justice and opportunity.

As we prepare for the 2010 MLK Holiday, the Mesa Dr. Martin Luther King, Jr. Celebration Committee invites you to assist in these efforts by serving as a sponsor of our committee and the events we have planned for the holiday weekend. For several years, our committee has been dedicated to offering inspiring, thoughtful and entertaining events for the community to honor Dr. King. These events have been made possible by the thoughtful sponsorship of private companies and organizations not only in Mesa, but throughout the Phoenix Metropolitan Area.

Consider becoming a sponsor today and join us in celebrating and building upon Mesa’s growing diversity. You can become an event sponsor or a sponsor of the weekend’s activities. The committee is a 501C3 Non-Profit. Therefore, contribution is tax deductible.

It is through community, cooperation and understanding that we may one day fully realize “Many Faces, One Community” and the dreams of Dr. King in Mesa. On behalf of the Mesa Dr. Martin Luther King, Jr. Celebration Committee, I express my heartfelt appreciation for your consideration. I am available if you have any questions. You may reach me at 480-216-5160.

Sincerely,

Nancy Reynolds
Chairman, Mesa Dr. Martin Luther King, Jr. Celebration Committee
